

✓ Human Lactic Commensals (HLC[†]) probiotics have been extensively researched, including randomized, placebo-controlled human clinical trials. These proprietary strains are compatible with the human gastrointestinal tract and are selected based on their high quality and viability.

Recommended intake: Children (1-5 years): In a glass, add water or milk to one heaped scoop (1.25 g) of HLC Toddler + Pro and mix. Take once daily or as professionally directed.

Warning: If you have an immune-compromised condition, do not use. If you are pregnant or lactating, have any health condition or are taking blood thinners or any medication, consult your health professional before use. If symptoms of digestive upset occur, stop use and consult your health professional.

This product was sealed for your protection. Do not use if box or contents are open or damaged. Store in a cool, dry place. Packaged by weight, not volume. Settling may occur.

Keep out of the reach of children.
