

DopaPlus

From the PureSynapse™ product line; supports mood, cognition and behavioral health†

INDICATIONS

- Ages 18 and up
- Cognitive support†
- Positive mood support†

BENEFITS

- Promotes the production of dopamine to support daily cognitive function and performance on mental tasks†
- Supports the stability of dopamine and maintains healthy dopamine reuptake†
- Protects neuronal health and function†
- Supports mood†

FEATURES

- Includes folate as Metafolin® 5-methyltetrahydrofolate (L-5-MTHF), the universally metabolized and biologically active form of folate
- Part of the PureSYNAPSE™ product line
- Made with high-quality vegetarian ingredients backed by verifiable science

VERIFIABLE SCIENCE

DopaPlus promotes the production of dopamine to support daily cognitive function and performance on mental tasks. This formula provides the dopamine precursors L-tyrosine and L-DOPA (from *Mucuna pruriens*). In a randomized, controlled, double-blind, crossover trial, *Mucuna pruriens* supplementation promoted L-DOPA plasma concentrations.¹ The cofactors vitamin B₆, folate (as Metafolin® L-5-MTHF) and zinc support dopamine production.² Studies show that supporting optimal serum levels of these nutrients promote positive mood.³ Rhodiola and green tea polyphenols promote the stability of dopamine and maintain healthy dopamine reuptake.⁴ Grape seed proanthocyanidins support cognitive function and mental sharpness.⁵ Green tea and grape seed polyphenols help to maintain neuronal health and function.^{6†}

SUGGESTED USE

As a dietary supplement, take 3 capsules, 1-2 times daily, with low protein foods.

STORAGE

Store in a cool, dry place.

WARNING

Not to be taken by pregnant or lactating women. Take with food. If you have liver problems, any other health condition or are taking any medication, particularly psychiatric medication, consult your health professional before use. Do not use concurrently with antidepressants, antipsychotics or drugs used to treat Parkinson's disease.

SOURCE

- Pyridoxal 5' phosphate and folate (Metafolin®, L-5-MTHF) are synthetic
- Magnesium and zinc are derived from elemental ore
- L-tyrosine is derived from corn dextrose fermentation
- L-DOPA is derived from *Mucuna pruriens* seeds, the extract is standardized to contain 15% L-DOPA
- Rhodiola extract is derived from *Rhodiola rosea* root and standardized to contain 3% total rosavins and 1% salidroside
- Grape seed extract is derived from *Vitis vinifera* and standardized to contain 92% polyphenols
- Green tea extract is decaffeinated and derived from *Camellia sinensis* leaf and standardized to contain 90% total tea catechins and 70% EGCG

NOTES

Size 00 caps

Bottle count 180

Order code DOP1

Bottle size 20 oz

SUPPLEMENT FACTS

3 capsules, 1-2 times daily, with low protein foods.

Three (size 00) vegetarian capsules contain:

Vitamin B ₆ (as pyridoxal 5' phosphate) (activated B ₆)	6.7 mg
Folate (as Metafolin®, L-5-MTHF)	833 mcg DFE (500 mcg L-5-MTHF)
Zinc (as zinc picolinate)	10 mg
L-Tyrosine (free-form)	1,000 mg
Velvet bean (<i>Mucuna pruriens</i>) extract (seed) (standardized to contain 15% L-DOPA)	200 mg
Rhodiola (<i>Rhodiola rosea</i>) extract (root) (standardized to contain 3% total rosavins and 1% salidroside)	100 mg
Grape (<i>Vitis vinifera</i>) extract (seed) (standardized to contain 92% polyphenols)	100 mg
Green tea (<i>Camellia sinensis</i>) extract (leaf) (standardized to contain 90% total tea catechins and 70% EGCG)	100 mg
Other ingredients: vegetarian capsule (cellulose, water)	

Metafolin® is a registered trademark of Merck KGaA, Darmstadt, Germany.

Not to be taken by pregnant or lactating women. Take with food. If you have liver problems, any other health condition or are taking any medication, particularly psychiatric medication, consult your health professional before use. Do not use concurrently with antidepressants, antipsychotics, or drugs used to treat Parkinson's disease.
